

BETO'S TEXAS ENDORSEMENTS

More than 100 elected officials and community leaders from every region of Texas proudly endorsed Beto O'Rourke for President of the United States. The diverse group of more than 70 elected officials includes local leaders, city and county representatives, and members of the Texas State House, Texas State Senate, and United States House of Representatives. The more than 30 community leaders supporting the former El Paso Congressman include activists and organizers on the frontlines of the state's efforts to fight climate change, end gun violence, protect Dreamers, reform the justice system, secure LGBTQ+ equality, expand workers' rights, and achieve universal health care.
